ANNUAL SUMMER SEMINAR – 2 DAYS THIS YEAR!

JULY 20-21, 2013

(open to all pointing breeds)

Featuring professional pointing dog trainer, **Bob Burchett**
www.burchettbirddogs.com

Bob started training full time in 1994. He has trained dogs of most pointing breeds for both hunting and field trial competition. Thousands of happy dogs and owners have been schooled in the bird dog trade. Nearest to Bob's heart is the great enjoyment folks get when their dog dreams come true and they shoot that first limit of birds over their well trained dog or get their first field trial placement. He helps folks mature along with their dogs in competition. His strong suite is fixing problem dogs (*and problem owners*) and winning with many dogs others had quit on. He has placed more dogs in the National Gun Dog Championships than any other handler and has won most of the other major championships and classics. For the last 14 years running dogs that were schooled and handled at Burchett's Bird Dogs have been awarded more than 100 placements each year.
