

LaSalle Brittany Club asks

What's in your **Dog** **First Aid Kit?**

The meeting will be an open discussion on the essential things you need in a dog first aid kit.

Bring your old, new and makeshift first aid kits and let's have a discussion on what works and what doesn't.

We learn from each other.

Focus will primarily be on field and hunting injuries.
Red Cross and other handouts will be available.

Please join us for Coffee,
other refreshments and Conversation.
